

TECHNOLOGY PLAY A CRITICAL ROLE IN MERGERS AND ACQUISITIONS

As an Accounting Firm, **M&A** has undoubtedly been on your mind.

There's so much to think about when looking to purchase or sell an accounting firm!

One often overlooked, yet absolutely critical piece of this process, **is the technology.** Ensuring these components are in order will ensure the process goes smoothly on the IT side:

Reach out if you need **IT expert** on your team through this process!
